About Oakley PC

- We work on-site, as well as in our shop.
- On-site work is hourly rate (\$99/hr) with a one hour minimum. After the first hour, we bill in 15-minute increments. *Yes, we have Military & Police/Fire discounts!*
- In-shop work is entirely flat-rate.
- Oakley PC strives to bridge the gap between an expensive “I.T. Business Consultant” and that really helpful family member who’s willing to spend their entire weekend getting your computer fixed for free.

Popular/Common Services

- Complete data migration from an older system to a new one. Including personal files, favorites, emails, programs, and settings.
- Hard drive replacement/upgrade to an SSD. This can breathe years of life into an old system, as well as make it faster and more reliable than new.
- On-site custom procedure creation...

Adware / Antivirus

- Adware “companies” overtaking software

- Adware “support teams” cold-calling, hoping you will allow them to remotely-connect to your PC.

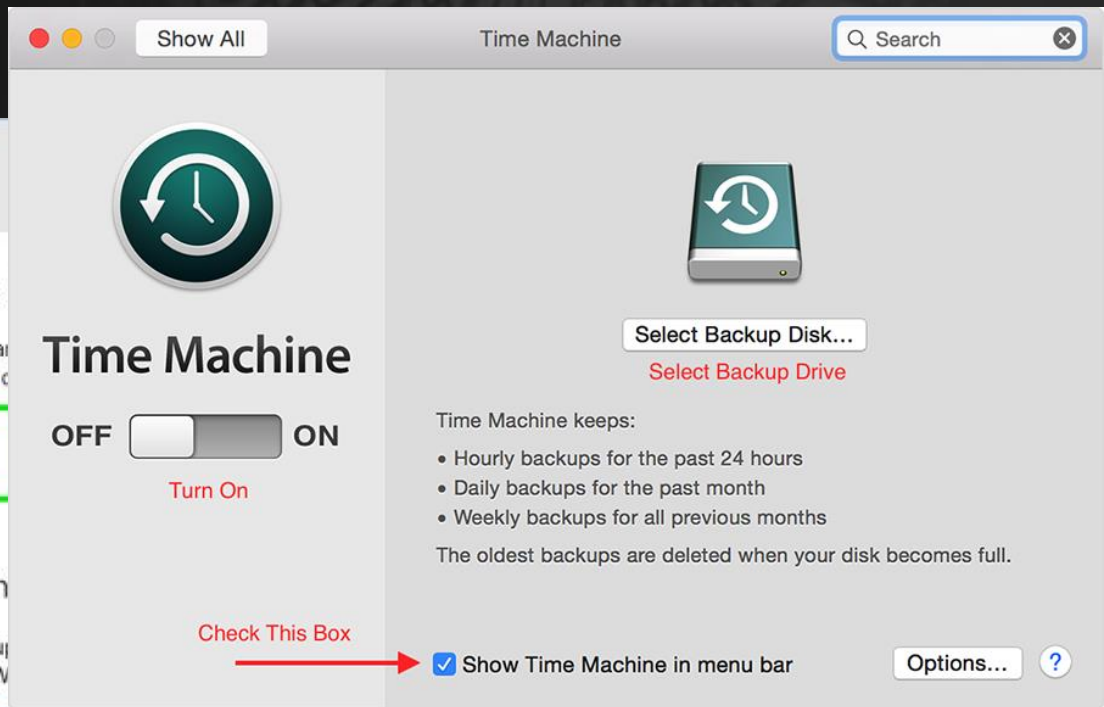

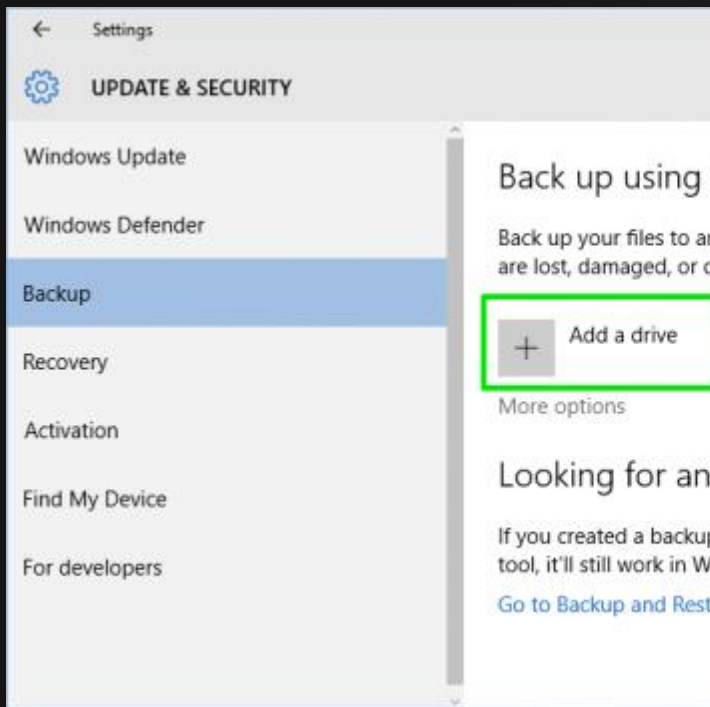

- MSE > Windows Defender > Windows Defender Security Center

- Malwarebytes

Quick Tip:

- How to easily backup:
 - Microsoft: “File History”
 - Apple: “Time Machine”
